

# Cerveau et neuro-sens

### Claire Stride

consultante en intelligence relationnelle Infopreneuse, auteure et show-woman

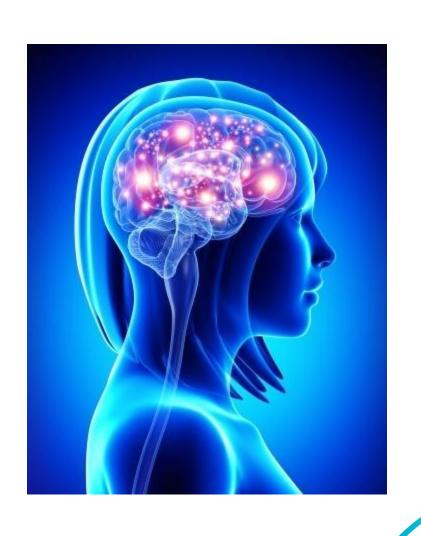

## Menu...

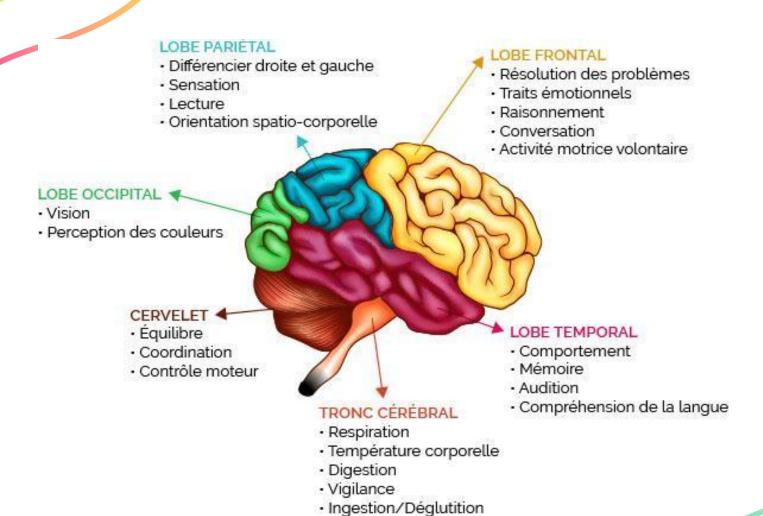

- •Moi (OMG!)
- Notre cerveau
- Quelques bases de la neuroscience
- Le monde merveilleux de la neurodiversité
- •Et l'IA dans tout ça ?

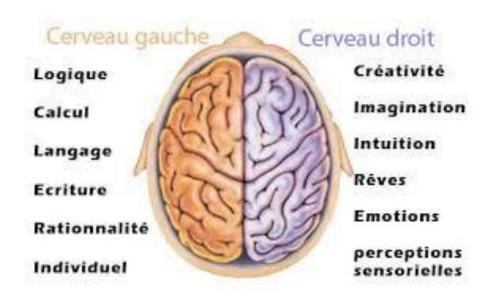

## Claire Marie-Pierre Louisette STRIDE

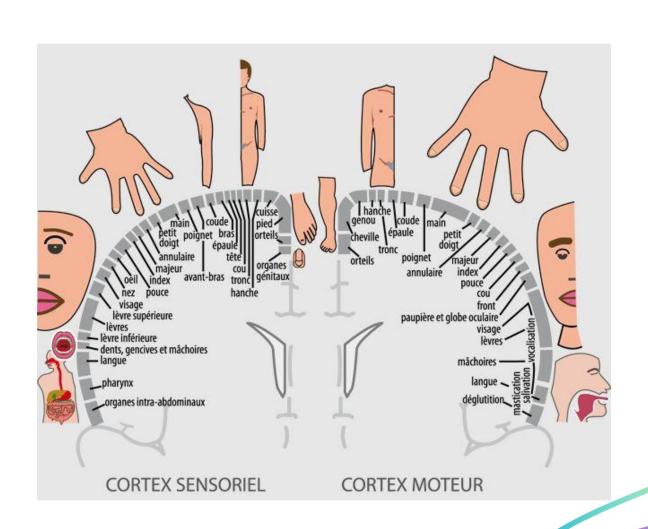

## Notre cerveau

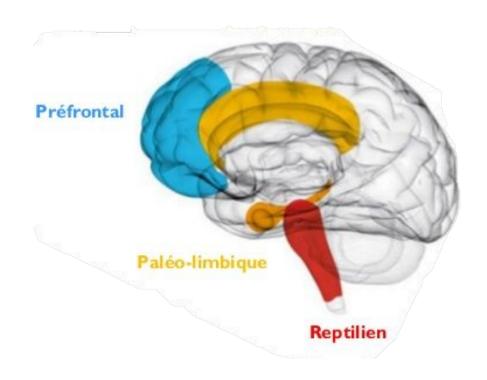

## Bases de la neuroscience

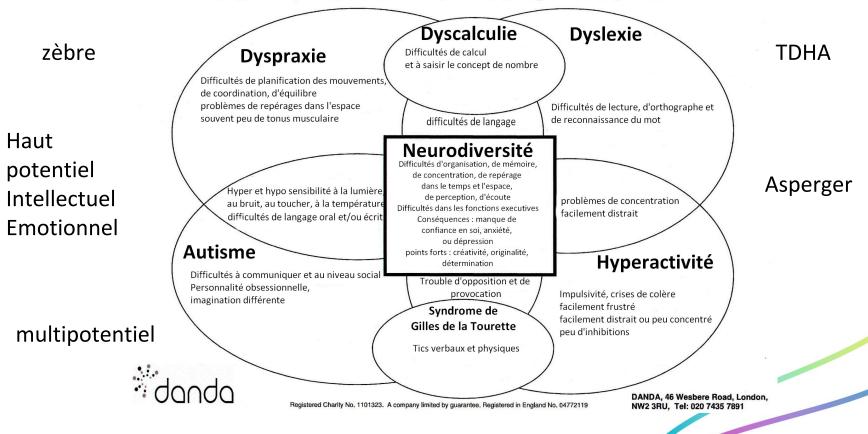

## Face au stress...

## La neurodiversité Le monde des gens « bizarres »

#### The Make-up of Neuro-Diversity

his is a document for discussion. Concentrating mainly on the difficulties of those with neuro-diversity. It must however, be pointed out that many people with neuro-diversity are excellent at maths, co-ordination, reading etc. We are people of extremes.

Echec scolaire  $\rightarrow$  social

Hypersensibilité

**Gros stress** 

**Graves maladies** 

Dépression / Isolement

Scarification

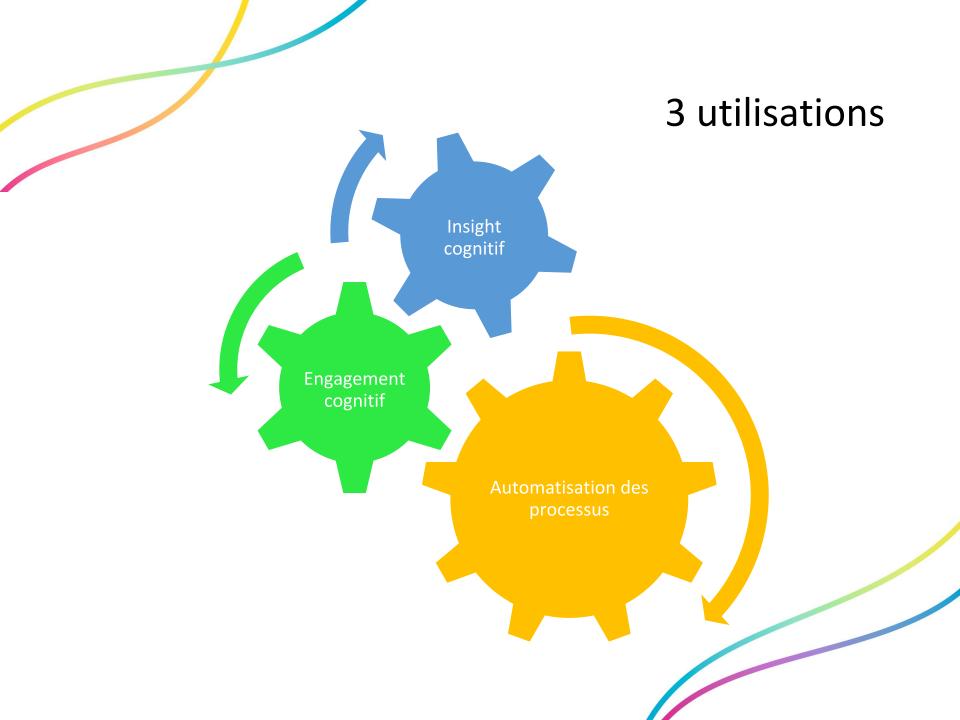

Suicide

## IA sauve-moi!

## Apprendre autrement... Le projet SCIOM

- Plateforme de génération d'apprentissage comme la pensée en arborescence + émotions
- Serious game pour mieux vivre l'hypersensibilité

www.sciom.net

## Une réussite extra! Helpicto

## AI FOR GOOD évidemment!

## MERCI!!
